

MONO sectional lounge suite is the most diverse and flexible in the MAMAGREEN 2018 collections. Complete with six sectional pieces, and several perfectly coordinating coffee tables, prospective combinations are almost limitless. Possible combinations include multiple L and U configurations, plus a number of double chaise presentations.

MONO modern, classic shapes are supported by MAMAGREEN signature, premium selection of outdoor materials. The powder coated aluminum base is available in a wide range of colors, and creates a highly practical size to weight ratio. Upholstery is either solid or pinstripe LEISURETEXR in a variety of colors, and can be matched with your choice of SunbrellaR cushion cover color. Optional, customized protective covers are available for all.

Adding low tables to this set is easy. The MONO square table matches the 73 cm depth of the MONO lounge configuration perfectly, meaning it fits snugly into many configurations. There is also an optional longer coffee table, and both are available in either Italian high pressure laminate or beautifully recycled teak. For an element of fun, consider the MONO long table - with ice bin! Suggested by our Australian friends, bin is powder coated to match the table frame and comes with a complimentary lid.
